

Privacy statement on the protection of personal data

Introduction

FOSS4G 2019 Bucharest Organizing Committee is committed to user privacy. The policy on the protection of natural persons with regard to the processing of personal data by the Community institutions is based on Regulation (EU) N° 2018/1725 of the European Parliament and of the Council of 23 October 2018 and on the free movement of such data.

Why do we collect, store and process your data?

We collect and process your personal information (email, IP address) for this purpose:

- Enable you to participate in the FOSS4G community voting process of the submissions for the general track.

Collected personal data is treated according to the policy described in the above-mentioned regulation. No processing operations on personal data falling under article 27 "Prior-Checking by the EDPS" are applicable.

Who is responsible for the processing of your data? (Controller)

Your data is processed under the responsibility of the FOSS4G 2019 Bucharest Organizing Committee. The Committee ensures that the provisions of the above-mentioned regulation are applied within the community voting process during FOSS4G 2019.

What personal data do we collect?

FOSS4G 2019 Bucharest Organizing Committee will process the personal data only for the purpose for which they were transmitted:

- E-mail address;
- IP address.
- The voting system uses:

- Session "cookies" in order to ensure communication between the client and the server. Therefore, user's browser must be configured to accept "cookies". The cookies disappear once the session has been terminated.
- Once the community voting has been closed, the personal data is removed from the server.

To whom is your data disclosed?

The OSGeo System Administration Committee ([SAC](#)) has access to your data.

The team does not transmit any data to parties which are outside these recipients and the legal framework mentioned, without prejudice to a possible transmission to the bodies in charge of an inspection task in accordance with Community legislation, e.g. OLAF, or an investigating magistrate. The FOSS4G 2019 Bucharest Organizing Committee will not share personal data with third parties for direct marketing.

For how long is your data kept?

Contributors' personal data will remain in the database until the end of the community voting process or until the voters have requested their removal.

The cookies disappear once the session has been terminated.

How can you access your data, check their accuracy and, if needed, correct them?

You can contact the FOSS4G 2019 Bucharest Organizing Committee. Contact by e-mail: foss4g2019@gmail.com.

What are the contact points for questions or complaints?

If you have concerns about the processing of your personal information during the community vote, feel free to contact the Program Chair, Ms. Codrina Ilie, for the processing of these data: Contact by e-mail: codrina@geo-spatial.org.
